

WHAT RECOMMENDATION COULD BE HIGHER THAN THAT OF A PEER?

The answer to that question, of course, is none. Which is why, for the seventh consecutive year, *Virginia Living* has teamed up with topDentists™ to celebrate the Commonwealth's most exceptional dentists.

topDentists™ surveyed hundreds of dentists in Virginia—asking them who among their colleagues and peers excel in their field, and who they would entrust with their own dental care. After tallying the ballots, topDentists™ checked the results against state dental boards, guaranteeing that all of the dental professionals included on the list are licensed and in good standing.

Our wish is for this list to become your definitive resource for finding the best dentist for you and your family, no matter where you are in Virginia. Make Virginia's Top Dentists 2016 your go-to guide for all your dental care and keep it on your nightstand, in your car, or on your refrigerator. Because you never know when an emergency may strike, and you need a recommendation fast. Allow us to be your guide.
